

* In Claim 17 please replace the phrase "Claim 15 or 16" with --Claim 16--.

Please add the following new claims:

* 18. A hair care product as in Claim 3 wherein said hair shine agent contains a sufficient amount of said spreading agent to reduce the Surface Tension of the polysiloxane fluid by at least about 20%.

* 19. A hair care product as in Claim 18 wherein said hair shine agent contains a sufficient amount of said spreading agent to reduce the Surface Tension of the polysiloxane fluid by at least about 25%.

* 20. A hair care product as in Claim 4 wherein said nonvolatile polysiloxane fluid has a refractive index of at least 1.52.

* 21. A hair care product as in Claim 20 wherein said nonvolatile polysiloxane fluid has a refractive index of at least 1.55.

* 22. A hair care product as in Claim 5, wherein said spreading agent is an MQ resin.

* 23. A hair care product as in Claim 6, wherein said nonvolatile polysiloxane fluid has a degree of aryl substitution of at least 35%.

* 24. A hair care product as in Claim 23, wherein said nonvolatile polysiloxane fluid has a degree of aryl substitution of at least 50%.

* 25. A hair care product as in Claim 8 wherein said composition comprises from about 20% to about 30%, by weight, ethanol.

* 26. A hair care product as in Claim 9 comprising from about 0.2% to about 2%, by weight, of said hair shine agent.

* 27. A hair care product as in Claim 1, further comprising a package for containing and dispensing said composition.

* 28. A hair care product as in Claim 14 wherein when said product is a spray product, said product produces a spray with at least 70% of spray droplets, having particle size of at least 100 microns.

* 29. A hair care product as in Claim 28 wherein when said product is a spray product, said product produces a spray with at least 80%, having particle size of at least 100 microns.

The support for these amendments is found in the claims as originally filed. These amendments are being entered to bring the claims into conformance with, *inter alia*, 37 CFR §1.75; no new matter is added.

Respectfully submitted for Applicants,
